ALL BIDDERS PLEASE READ

Terms Governing This Sale

Bidders unknown to us will please furnish bank or other references or deposit 25 percent with their bids, and it is agreed that remittance will be made upon receipt of invoice if references are not furnished.

Any coin which is not satisfactory may be returned within five days from date of receipt for full refund. **You must be satisfied. PAYMENT TO BE MADE UPON RECEIPT OF MERCHANDISE.** Coins remain our property until paid for. There will be no charge for executing your bids but the purchasers will be required to pay the postage and insurance on their purchases. If you do not wish coins sent airmail please note this on your bid sheet.

We shall welcome your bids and will try to purchase the coins as much below your bids as possible. PLEASE BID BY THE LOT. Unlimited bids are executed at an advance of 5 percent over the next highest bid. Numbers in ( ) are the quantity of that item.

If you are interested in any particular coin, we shall be glad to have you write us for full information. LOTS CANNOT BE BROKEN. Be sure you bid on the correct lot as we cannot be responsible for errors in bidding.

NOTICE TO NEW BIDDERS

Our Mail Sales Are Conducted As Follows:

1. Bids are entered in the order received; if identical bids are received, the first bidder is awarded the lot. SEND BIDS AIRMAIL — IT PAYS.
2. The highest bidder on the date of the sale is awarded the coin at a slight advance over the second highest bidder. **Bids you send in are the maximum you are willing to pay for the coin. WE, AS YOUR AGENT, TRY TO BUY THE COIN AS LOW AS THE NEXT HIGHEST BID WILL ALLOW.**
3. Valuation placed in the auction catalog are catalog prices, prices generally asked by dealers when the coin is in stock, or prices generally realized at auctions.

ANY COIN WHICH IS NOT AS REPRESENTED MAY BE RETURNED WITHIN FIVE DAYS FROM DATE OF RECEIPT FOR FULL REFUND. **YOU TO BE THE SOLE JUDGE AS TO CONDITION. YOU MUST BE SATISFIED.** No, you won't receive a nasty letter for returning a coin — instead you will receive a letter thanking you for calling attention to the error made in cataloging. While we try to describe coins as accurately as possible, it is inevitable that an occasional error is made in the cataloging of thousands of coins for each sale. Whenever this happens, we want it called to our attention to help prevent future errors.

Any coins may be inspected prior to the sale, collector to pay postage and insurance both ways.

If you are not interested in these sales, won't you advise us so we may discontinue sending you catalogs.

PRICE LIST OF SALE $1.00

IS THIS YOUR FIRST AUCTION CATALOG?

23rd EDITION (1970) GUIDE BOOK, PAPER MONEY 6th EDITION "TRENDS" AND OTHER AUCTION RECORDS USED IN CATALOGING

Occasionally a collector writes us asking why our estimated values in some instances are higher than the catalog listing. This occurs when the demand is so great and the supply so small that new records are set whenever these come upon the market. If one will take a few moments to reflect, he will understand that it takes several months to compile the necessary information before the catalog can be published, therefore, it is inevitable that the catalog listing will be under the prevailing market price on the items in popular demand at the time of the publication. **The estimated prices are entered only after careful examination of various records and publications which reflect the actual and not theoretical values. (PLEASE NOT ETHAT MANY OF THE ESTIMATES ARE CATALOG VALUE ONLY. MANY OF THE GOLD COINS, SILVER $1, WASHINGTON QUARTERS, CURRENCY, ETC. ARE ESTIMATED AT CATALOG).** In the final analysis, you the collector, are the one who sets the price.

BIDS ARE RECORDED AS FOLLOWS: Each bid sheet is given a number as it comes in, and the bids are recorded. In the event of identical bids, the first bidder receives the lot. At the last day of the sale, the books are closed with the highest bidder on each lot being awarded the lot at an advance of not over 5% above the next highest bidder. For illustration—the two highest bids received on a lot may be $17 and $20. The highest bidder who bid $20 would receive the lot at $17.50. We act as your agent and use your bids as a limit—not as a final bid unless we are forced to do so to obtain the lot. We accept unlimited bids which generally assures the bidder of obtaining that lot regardless of what the highest bid may be. Where the lot is bringing far more than we believe it is worth, or in the event of two unlimited bidders on the same lot, we notify the unlimited bidders by phone or wire, if necessary, in order to obtain a fixed limit to the bid. Even tho auction purchases are supposed to be final, we do not want you to keep any lots which you believe are improperly described. We endeaver to treat our customers as we would wish to be treated. We try to keep it on a friendly basis and value the many friends we have made thru the years. If you have any complaints, we want to hear them, as well as any compliments.

Please allow up to two weeks for receipt of coins; unsuccessful bidder will be notified.

YOUR SUCCESSFUL BIDS WILL INSURE YOUR RECEIVING SUCCESSIVE CATALOGS WITHOUT INTERRUPTION

BARGAINS

In every sale, some lots go at "bargain prices." May we suggest that in addition to bidding on those lots you"really want," you place nominal bids on those lots that "you might buy if they went at bargain prices." While you may not obtain many of these "bargain lots," yet in every sale you may pick up some real bargains.

Sincerely,

A. M. KAGIN and PAUL KAGIN

YOU MUST BE SATISFIED

Our Sales Are Cataloged With You in Mind. If you have any suggestions, complaints (yes we receive some now and then), we want to hear them. Having catalogued over two hundred seventy-five successful coin sales, we believe we are qualified to advise and help you with your numismatic problems. No, we don't "know-it-all" but we do know where to obtain the information we don't have.

We have a number of want lists on hand for the scarce and rare United States coins and currency. Our average commission for obtaining these specimens is only 10 percent, therefore we believe we can pay the top price for your choice and scarce pieces, no matter how rare. Don't you think it is worth a 10c airmail stamp to find out what we would pay for your outstanding pieces? Naturally we buy collections, too.

SOMETHING NEW HAS BEEN ADDED

We wish to call your attention to the new service extended as per the bottom of the bid sheet. After receiving requests to apply the amount saved in the awarding of successful bids below the bids authorized we decided to avail this service to all of our clients. It is often exasperating to lose a lot by a few nickels when the amount saved on the successful bids would have been sufficient to increase the original bid to the point necessary to receive the lot. Check the bottom of your bid sheet.

$20 LEGAL TENDER NOTES

334. **$20 1863 UNLISTED! Obverse type 1862 (with type I reverse) with "American Bank Note Co." in lower margin face design (Donlon states 1863 comes with National Bank Note Co. — Friedberg doesn't give this detailed description) and normal 1863 reverse, two serial numbers, NEW, CRISP (Superb except for faint tiny corner crease). Valued by owner at $1,500.00. Until we acquire more data, we are hesitant about venturing an opinion whether this value is optimistic or conservative.**

335. **$20 1869 F-127, Very good. RARE. Catalogs v.f.** **475.00**

$50 1878 LEGAL TENDER NOTE

344. **$50 1878 F-154, Ornate Larged Red "L" at left and "L" at right obverse, very good. RARE TYPE! Greatly undervalued at it low catalog value v.f. of only** **650.00**

$50 1880 LEGAL TENDER NOTE

345. **$50 1880 F-156, Brown Seal, transposed signatures Wyman-Bruce instead of Bruce-Wyman as listed in catalog, very fine. SCARCE.** **350.00**

$100 1862 LEGAL TENDER NOTE

346. $100 1862 F-166, Angry eagle on rock, Second (Large) Obligation (AT LEAST TWICE AS RARE AS THE 1863) very fine. We believe the present Friedberg catalog value of only $2,000.00 to be theoretical as we cannot find a recent enough record on which this valuation was based! AN OUTSTANDING RARITY! We believe a conservative value for this great rarity would be at least 3,000.00

$100 1878 LEGAL TENDER NOTE

347. $100 1878 F-171, Bust Lincoln and allegorical "Architecture", RED ornamentation at top, SMALL RED RAYED SEAL, extremely fine. VERY RARE TYPE. 1,400.00

$100 1880 LEGAL TENDER "TYPE" NOTES

348. $100 1880 F-174, LARGE ROUND RED SEAL, BLACK ornamentation at top, NEW, CRISP except on close examination there is a trace of a faint crease. RARE TYPE. Easily worth over 1,100.00

349. $100 1880 F-172, LARGE BROWN SPIKED SEAL, NEW, CRISP, small spot, RARE TYPE. Easily worth 1,250.00

350. $100 1880 F-180, SMALL RED SCALLOPED SEAL, (the type generally offered) but rare BRUCE-ROBERTS signatures (IN OFFICE TOGETHER ONLY 3 MONTHS), near new, crisp. We believe Friedberg is in error and that the listed price of $775 new was meant for the more readily available Tillman-Morgan and that the listed price for this much rarer signature combination, should be that assigned to Tillman-Morgan of 950.00

$500 1880 LEGAL TENDER NOTE

351. $500 1880 F-185M Bust Maj. Gen. Mansfield, small red scalloped seal, **EXTREMELY FINE, NICE COLOR. VERY RARE.** We can count on one hand the specimens we have handled in our thirty-six years as professional numismatists! Friedberg does not attempt to evaluate this note due to its rarity. In this condition, he values the $100 with similar signatures at close to six times face (close to $3,000 for this note using same ratio of values) but due to its much greater rarity, we believe it should be worth closer to 5,000.00

$20 1864 COMPOUND INTEREST TREASURY NOTE

352. $20 1864 F-191, Very fine (actually extremely fine appearing but slight imperfections characteristic of these overprinted notes causes us to reduce it by grade). **ONE OF THE CHOICEST SPECIMENS KNOWN OF THIS RARITY!** Not listed in better than fine due to its rarity, particularly in better grades. Acquired a year ago at 3,500.00

$10 1879 REFUNDING NOTE

353. **$10 1879 F-214, New, Crisp, would be Superb except for center crease not readily noticeable.** Not listed in better than fine due to its rarity in better states of preservation. **CERTAINLY ONE OF THE CHOICEST SPECIMENS KNOWN!** Well worth 2,000.00

NATIONAL GOLD BANK NOTES OF CALIFORNIA

What few have survived are generally in wretched condition — well worn and patched, holed, etc. Since these were redeemable in GOLD COINS, there was a rush to redeem them when these banks converted to Regular National Banks. The rarity of the better grade specimens is attested to by Friedberg listing them in only "Fair" and "Very Good" conditions. What few have survived, did so only accidentally and were not laid away intentionally by collectors at the time. Judging from the infrequency of appearance, this series is somewhat undervalued (particularly above "very good") in keeping with its true rarity.

641. **$5 F-1141, 1874 FARMER'S NATIONAL GOLD BANK OF SAN JOSE, fine with usual tiny imperfections (nick in margin, pinhole, etc.) which seem to be characteristic of the series. RARE.** **500.00**

642. **$10 F-1147, SERIES 1875 FIRST NATIONAL GOLD BANK OF STOCKTON, very good appearing but extensively repaired. RARE. Catalogs v.g.** **550.00**

643. **$20 F-1152, 1870 FIRST NATIONAL GOLD BANK OF SAN FRANCISCO, EXTREMELY FINE! A RARE NOTE IN EXCEEDINGLY RARE CONDITION! FROM A 1965 SALE FOUR YEARS AGO VALUED THEN $5,000.00. Market has advanced somewhat since then.**

644. **$50 F-1160, 1870 FIRST NATIONAL GOLD BANK OF SAN FRANCISCO. From the same 1965 sale described "Expertly laminated, this EXTRAORDINARILY RARE BILL now presents very good appearance. The restoration work was obviously made necessary by four vertical folds. where the paper broke. Certainly acceptable, when one considers that THIS DENOMINATION IS BY FAR THE RAREST IN THE NATIONAL GOLD BANK SERIES! Neither the celebrated Philpott nor Schermerhorn collections ever contained a specimen. ONLY TWO OTHER $50 NATIONAL GOLD BANK NOTES SAID TO BE KNOWN, F-1160, 1161 (both in same collection and off the market)!" Valued then (1965) at** **10,000.00**

AUTOGRAPHED NOTES (SECY. TREASURY, TREASURER)

This is the largest collection of these "personalized notes" that it has been our privilege to offer. While we have had a scattered few, this collector made an attempt to assemble as large a collection as he could. We believe values in this relatively "new field" are in their infancy. We note the recent interest in star notes have sent the values in that "new field" to many times the prices that prevailed just a short time ago. Need we say more?

WEST VIRGINIA BROWN BACK NATIONALS

We note the 1970 "Standard Handbook of Modern U.S. Paper Money" lists different values for "Large Towns" and "Small Towns" of the same state with some showing three times the rarity for the small towns. We believe this trend will continue with the very rare notes of some of the smaller towns rising to their proper level of value commensurate with their rarity.

EARLY SILVER DOLLARS

1506. 1795 B-5, FLOWING HAIR, 3 LEAVES BELOW EACH WING, PROOFLIKE WITH GLITTERING LIGHT GOLDEN PATINA, careful examination with a glass reveals some of the curls of hair not quite fully struck up and on reverse (as usual) not all feathers of eagle's breast fully struck up. **SHARP STARS, SHARP DENTICLES AT EDGE, ETC. A lovely specimen indeed of this popular "type" coin.** The identical variety in the Miles sale (Stack's April 1969 New York) which while described as "superb" mentions "the slight weakness of strike on eagle's breast." The Miles specimen realized 3,750.00

1507. **1796 B-4, DRAPED BUST, 15 STARS, SMALL EAGLE, small date, Large Letters, near Uncirculated with lovely patina, careful examination with a glass reveals slight attempt at "improvement" (done by an expert as we did not notice it until we used a powerful glass). An attractive specimen. Catalogs $400 v.f. and $1,450 unc.; this probably worth somewhere between.**

1508. **1797 B-1, 9X7 Stars (Tennessee became 16th state in 1796), Large Letters, appears to be "near Uncirculated" at first glance but close examination reveals small edge nick, "improvement" in Liberty's hair and feathers of eagle's breast. If not for the "improvements," it would be worth about $750; probably worth at least v.f. price of 500.00**

1509. **1799 OVER 98, B-3, 15 STARS REVERSE (13 stars obverse) UNCIRCULATED WITH LOVELY BLUISH GOLDEN PATINA, NICE SHARP STRIKE!** What was originally described as a "light bisecting obverse die break" is actually a light bisecting scratch when examined under a strong glass. **THE SHARPEST SPECIMEN OF THIS RARITY WE CAN RECALL SEEING IN ALL OUR THIRTY-SIX YEARS AS PROFEESSIONAL NUMISMATISTS!** If not for the light scratch, we would unhesitatingly value this remarkable specimen at $2,500.00. What it will now bring, must be determined by you, the bidder.

1836 & 1839 FLYING EAGLE DOLLARS

1510. **1836 GLITTERING BLUE PROOF.** "Gobrecht" lightly burnished off base in order to create a new variety. Starless obverse and starred reverse (26 stars for states), INVERTED REVERSE, plain edge. Only 600 struck March 31, 1837 (after Congress passed on act Jan. 18, 1837 authorizing a dollar of this weight and composition) compared to the "common" 1836 with normal reverse (1,000 struck Dec. 31, 1836). The "common" variety catalogs $1,900; surely this rarer one worth 2,500.00

1511. **1839 13 STARS OBVERSE, starless reverse, reeded edge, only barest rubbing but close inspection with a strong glass reveals tiny clever repair (which was overlooked when present owner acquired this specimen). ONLY 300 STRUCK. Catalogs 3,750.00**

LIBERTY SEATED DOLLARS — NO MOTTO

1512. **1840 PROOFLIKE with golden patina, sharp strike. A few pinpoint nicks in reverse field inclined us to the "prooflike" description rather than the "Proof" for which acquired. Acquired several years ago at $500, however we believe it to be worth closer to 300.00**

1513. 1842 Near Uncirculated, tiny nick. Catalogs unc. 150.00

1514. 1849 Near Uncirculated. Catalogs unc. 150.00

1515. **1850 PROOFLIKE WITH LOVELY BLUISH GOLDEN PATINA. RARE. Acquired several years ago as a "Proof" at $500; we cannot agree as to it being intentionally struck as a proof but we believe that with its proper description it is now worth its cost of 500.00**

1516. 1853 Extremely fine but under close inspection with a glass there is a tiny rub spot on obverse and one on reverse which the patina makes difficult to see at first glance. E.F. worth around $175; this worth proportionately.

1517. **1857 Glittering golden bluish Prooflike surface. A lovely specimen well worth 375.00**

1518. 1859-O Extremely fine, tiny nick. 75.00

1519. 1859-S Near Uncirculated but close inspection with a strong glass reveals a tiny clever repair. E.F. worth $150; this one worth proportionately.

PROOF INDIAN CENTS

1571. 1864-L Acquired as a "CLEANED PROOF" and it appears to be just that. Both sides have a raised "Square Edge" characteristic of a proof, in addition it is an unusually sharp impression. Y. by Stacks) realized $6,000.00 while this specimen is not worth anywhere near that figure, it is worth proportionately — perhaps 1,000.00

SMALL FEDERAL NOTES — TYPE III — SERIES 1934

This is a continuation of the remarkable collection, parts I & II which have been offered in previous sales. WE DO NOT KNOW OF A SINGLE COMPLETE COLLECTION OF THESE "DEPRESSION-BORN" ISSUES. Some are appearing for the first time in all our 286 sales! With the increasing demand for Federals since the issuance of the $1, we believe present values will appear as "bargains" in the not too distant future. Careful study of this series indicates many are rare with SOME EXTREMELY RARE. We believe future references will reflect this rather than a theortical listing primarily based on quantity issued - not on the exact knowledge of the specimens actually known to exist.

We quote from Robert Lloyd's "Federal Reserve Notes 1928-1950" ,the COIN COLLECTOR'S JOURNAL Jan-Feb. 1953, published by Wayte Raymond. "OF ALL OUR SMALL SIZED NOTES, THE BILLS OF THE FEDERAL RESERVE SYSTEM PROVIDE THE LARGEST NUMBER OF RARITIES! Happily most of these are in the lower denominations. The old National Bank Notes give us the most variety in the currency field, but collecting Reserve Notes makes up for the fewer items with definite listings with definite future appreciation possibilities." If this was true in 1953, how much more relevent it is today, 16 years later.
